**RULES FOR THE CONDUCT OF DANCES WITH DOGS COMPETITIONS
(ENCOMPASSING DANCES WITH DOGS FREESTYLE
AND HEELWORK TO MUSIC)**

1.0 INTRODUCTION

- 1.1 Dances with Dogs competitions provide handlers and their dogs with an opportunity to demonstrate a skilful, choreographed routine, performed to music.
- 1.2 Dances With Dogs encompasses two separate divisions: (a) Dances With Dogs Freestyle and (b) Heelwork to Music.
- 1.3 Dances with Dogs has its foundation in traditional obedience heelwork. However, in the discipline of Dances with Dogs, the inclusion of innovative and creative moves, and movement in time to and interpretation of the music are encouraged.
- 1.4 The discipline requires a good rapport between dog and handler, reflected in a high level of teamwork.
- 1.5 Dances with Dogs performances should have spectator appeal and competitions should be conducted in such a way as to allow and encourage the audience to respond, where appropriate, throughout the performance.
- 1.6 In the event that interpretation of these Rules is required, clarification should be sought, in writing, through the relevant Canine Control, from the Dances with Dogs Committee of the ANKC Ltd, the decision of which will be binding.
- 1.7 Any person making an entry in a Dances with Dogs competition does so at their own risk and no Canine Control or Affiliate shall be responsible for any injury or damage to any person, dog or property.
- 1.8 The National Dances with Dogs Committee shall review and may recommend to the ANKC Ltd change(s) to these Rules two years from their date of implementation. Thereafter, the rules shall be reviewed early in 2014 and at subsequent five-yearly intervals.

2.0 DEFINITIONS

Where referred to in these Rules, the following words will have the meanings assigned to them below:

“Affiliate”: a member body of a Canine Control conducting a Dances with Dogs competition.

“Canine Control”; the Controlling Body in each State or Territory of Australia.

“Dances With Dogs Freestyle”: a division of Dances with Dogs, in which the dog works off lead and in which the routine may, subject to the provisions of these Rules, encompass a variety of moves, including heelwork and non-heelwork moves to present an interpretation of their music; there is no prescription as to the nature of moves or the level of heelwork required in Dances With Dogs Freestyle routines.

“Dances with Dogs”: an ANKC Ltd approved canine sport which encompasses both (a) Dances With Dogs Freestyle and (b) Heelwork to Music divisions.

“Heelwork to Music”: a division of Dances With Dogs in which the dog works off lead in any of the following heel positions, moving at any pace and in any direction:

- | | |
|--|---------------------|
| (a) Dog on Right Hand Side of handler: | 1- facing forwards |
| | 2- facing backwards |
| (b) Dog on Left Hand Side of handler | 3- facing forwards |
| | 4- facing backwards |
| (c) Dog across front of handler : | 5- facing left |
| | 6- facing right |
| (d) Dog across back of handler : | 7- facing left |
| | 8- facing right |

The dog must –

- (a) move parallel to the handler in one of the nominated heelwork positions;
- (b) keep the same distance in relation to the handler in all positions;
- (c) move in the same direction as the handler;
- (d) move at the same pace as the handler.

A minimum of 60% of a Heelwork to Music routine should consist of heelwork, during which the dog's shoulder should be reasonably close to the handler's leg; the percentage of heelwork in a routine is calculated on the basis of the time spent undertaking heelwork positions, not the number of moves included. A maximum of 40% of the routine may consist of moves such as spins , hind leg walking, crawling, weaves etc where the dog's shoulder is not close to the handler's leg.
